

Coastal Waters Chartered Public School

General Student Supply List

Students at Coastal Waters are not required to purchase school supplies such as notebooks, pencils, etc. - classroom materials are supplied by the school. What follows is a list of items that will help them to have a comfortable and successful experience at school. Class teachers may send their own further suggestions as well, based on age or programming needs, but this list applies to everyone.

In the Fall and Spring, we ask for:

- Rain jacket
- Rain pants
- Waterproof boots
- Layers for weather changes (long sleeves, sweatshirts, windbreaker, warm hat, etc.)
- A sun hat (baseball style is fine) and/or sunglasses
- Sunblock or bug spray if desired

In the winter, we ask for:

- A warm winter coat
- Snow pants (even in the upper grades, it still doesn't hurt to bring them!)
- Insulated, waterproof boots
- Hat
- Mittens or gloves (multiple pairs can be helpful as they get wet throughout the day)
- Sunglasses (not required, but some students are uncomfortable with the snow glare)

Other:

- A water bottle
- Snack and lunch accessories (a lunchbox, a brown bag, or whatever works best for you)
- Comfortable shoes for all types of movement

Please know that if any of this is a hardship for your family, we are happy to help - seasonal gear can be costly! We have many families willing to donate gently used items, so please reach out to Liz at leldridge@cwschool.org to arrange sizes, etc.
